## **Bird Flu and Swine Flu Antigen Detection Test Kit**

### **INTRODUCTION**

Vet Food Agro Diagnostics (M) Sdn Bhd is proud to offer a rapid antigen test kit for the detection of Bird Flu and Swine Flu diseases.

The FluDetect™ kit is a high-quality flu antigen detection test from Synbiotics Corporation. It detects all subtypes of influenza type A viruses.

The FluDetect™ kit is a rapid test kit suitable for quick assessment of the disease status of the animals in the farm. The test can be completed within 15 minutes.

For more information on the FluDetect™ kit on detecting:

1. Bird Flu/Avian Influenza virus please refer to the following files:
  - o Synbiotics Flu Detect Test Strip Flyer.pdf
  - o Synbiotics Flu Detect Test Detailed Information.pdf
2. Swine Flu/Swine Influenza virus please refer to the following files:
