Feed Safety and Quality Policy

Rhone Ma Malaysia Sdn Bhd is committed to provide safe and quality feed additive to our customers. In assuring the quality and safety of our products, we shall:

- Establish, implement and continually improve the Feed Safety and Quality Management System.
- Comply with national and international legislation, customers, FAMI-QS requirements.
- Communicate the feed safety requirements internally and externally with related parties such as suppliers and customers.
- Train and educate staff at all levels to ensure competencies related to feed safety.
- Control potential feed fraud/ adulteration to ensure the authenticity of the feed supply.
- Assess and address the impacts of climate change and other environmental factors to ensure the feed safety and quality.
